Agenda Item 10

PARTICIPATION IN THE ROUNDTABLES

The successful outcome of the roundtable will depend to a large extent on how well diversity of views from across the regions and across language spaces have been accommodated and how much flexibility has been provided to allow for truly interactive discussions. In this regard, the Secretariat proposes that countries be assigned seats in roundtables as follows. However, the Secretariat wishes to stress that delegations are welcome to change and participate in the roundtable of their choice.
