

GEF and the Sustainable Development Goals

Explore the linkages between GEF investments and the SDGs

- What do you have in front of you:
 - One poster outlining the SDGs and for you to provide further details on
 - One package of the 17 SDGs, including their targets (please see back of cards)
 - Two sheets of stickers that illustrates the SDGs
 - Five project descriptions of GEF projects in your country
- 

[illegible]

Goal 7. Ensure access to affordable, reliable, sustainable and modern energy for all.

What to do:

- Please review the 17 SDG cards
- Read the five short project descriptions
- identify which of the SDGs that each of the GEF investments will deliver against
- stickers are placed next to the associated SDGs on the board
- Please note down the associated GEF Project ID, Project Title, SDG, Target and Focal Area / Convention addressed in the table at the lower part of the Poster

Together we will then review and discuss the results.
