## Acknowledgement

*As the National Project coordinator of NCSA Project I wishes to express my sincere appreciation to Mr. M A R D Jayatilake, Secretary and Mr. W.R.M.S. Wickramasinghe, Additional Secretary and Mr. Jayalath R.V. Dissanayake, Former Secretary, to the Ministry of Environment & Natural Resources for their valuable guidance in preparing this project report.*

*This Land Degradation Thematic Assessment was made possible through the support provided by the Global Environmental Facility (GEF), through the UNDP, for the National Capacity Self-needs Assessment Project carried out by the Environmental economics and Global Affairs Division of the Ministry of Environment & Natural Resources.*

*Special Thanks goes to Dr. K A Nandasena, Thematic Consultant Land Degradation who prepared the Land Degradation Thematic Assessment & Members of The Thematic Working Group on land Degradation comprising Mr. R Semasinghe, Chairperson of the TWG and Director, Natural Resources Management Division, Ministry of Environment & Natural Resources.*

*I am thankfully acknowledge the valuable advises given by Mr. M Watson- National Project Manger-NCSA Project and Mr. Jagath Gunawardena- Legal & Policy Expert during the preparation of the assessment.*

*I also wishes to thank Dr. J D Dela, Thematic Consultant Biodiversity, Dr. B R S B Basnayake- Thematic Consultant Climate Change and Mr. T H Karunathilake- Capacity Development Expert for their cooperation through out the preparation of the Land Degradation Thematic Assessment.*

*The National Steering Committee provided support by reviewing work proposals and targets, questionnaires and reports, and offered very constructive comments for successful implementation of the Project.*

*I also wish to thank for all contributors, who take part for this effort by participating workshops, roundtable meetings, group discussions and completing the questionnaires.*

*Thanks are also due to, Mr. Sampath Ranasinghe, Mr. Sagara Chandrakumara, and Ms. Vindya Hewawasam of the EE&GA Division staff, and Mr. Percy Ranasinghe Ms. Maduri Peiris, Ms. Shankaja Uggalla, and Mr. Hirantha Aurasha of the Project Management Unit of NCSA for their contributions in organizing workshops, roundtable meetings, group discussions and questionnaire survey, without their support this project report wouldn't be a success.*

*Anura Jayatilake  
National Project Coordinator  
NCSA Project*

## Table of Contents

	<b>Page no</b>
1. Introduction	1
2. United Nations Convention to Combat Desertification (UNCCD)	2
3. Objectives of the thematic assessment on land degradation	14
4. Priority setting of the requirements of UNCCD	14
4.1. Methodology adopted for prioritization	14
4.2. UNCCD requirements for prioritization	14
4.3. Prioritized UNCCD requirements related to Sri Lanka	16
5. Capacity constraints pertaining to the prioritized requirements of UNCCD relevant to Sri Lanka	17
5.1. Requirement No 1 - Establishing national strategies within the framework of sustainable development plans/ or policies	21
5.1.1 Capacity to conceptualize and formulation of policies/legislation/strategies and programmes	22
5.1.2. Capacity to implement policies, legislations, strategies and programmes	24
5.1.3. Capacity to mobilize information and knowledge	25
5.1.4. Capacity to monitor, evaluate and report	26
5.2.Requirement No 2 - Implementing National action programmes	27
5.2.1. Capacity to conceptualize and formulation of policies/ legislation/strategies and programmes	27
5.2.2. Capacity to implement policies, legislations, strategies and programmes	28
5.2.3. Capacity to mobilize information and knowledge	29
5.2.4. Capacity to monitor, evaluate and report	29
5.3.Requirement No 3 -The transfer, acquisition, adaptation and development of economically, socially and environmentally appropriate technology	30

5.3.1. Capacity to conceptualize and formulation of policies/ legislation/strategies and programmes	32
5.3.2. Capacity to implement policies, legislations, strategies and programmes	33
5.3.3. Capacity to mobilize information and knowledge	34
5.3.4. Capacity to monitor, evaluate and report	35
5.4.Requirement No 4 - Regional and international cooperation	35
5.4.1. Capacity to conceptualize and formulation of policies/ legislation/strategies and programmes	35
5.4.2. Capacity to implement policies, legislations, strategies and programmes	36
5.4.3. Capacity to mobilize information and knowledge	36
5.4.4. Capacity to monitor, evaluate and report	37
5.5.Requirement No 5 - Systems for research and development	37
5.5.1. Capacity to conceptualize and formulation of policies/ legislation/strategies and programmes	38
5.5.2. Capacity to implement policies, legislations, strategies and programmes	38
5.5.3. Capacity to mobilize information and knowledge	39
5.5.4. Capacity to monitor, evaluate and report	39
5.6.Requirement No 6 - Establishing effective early warning and advance planning for periods of adverse climatic variation	39
5.6.1. Capacity to conceptualize and formulation of policies/ legislation/strategies and programmes	40

5.6.2. Capacity to implement policies, legislations, strategies and programmes	40
5.6.3. Capacity to mobilize information and knowledge	40
5.6.4. Capacity to monitor, evaluate and report	41
5.7.Requirement No 7 Training and technology regarding alternative, renewable energy sources, promoting alternative livelihoods including training in new skills	41
5.7.1. Capacity to conceptualize and formulate policies/ legislation/strategies and programmes	43
5.7.2. Capacity to implement policies, legislations, strategies and programmes	44
5.7.3. Capacity to mobilize information and knowledge	45
5.7.4. Capacity to monitor, evaluate and report	45
6. Recommendations	46
7. Annexes	48
